Our skillful captain Jure is experienced not only in navigation and finding all the amazing hidden coves, but also in the maintaining of the gulet. His modesty and paying attention at all times is what makes him an outstanding leader of this maritime story. Our chef Dean, though rather young, is very professional, conscientious and creative, the guests simply love his delicacies. Dean will gladly demonstrate all his talent and creativity throughout his fine cooking, trying to please most demanding taste buds aboard. He has become a regular winner in local culinary contests and we dare to say that his skills contribute very much to the whole cruise experience.
