Boat Description

Hayal 62, a stunning tirhandil launched in 2008, is available on the luxury charter market offering her guests 3000 years traditional wooden boat craftsmanship and luxurious private getaways along the Mediterranean and Aegean Sea. The yacht hosts a very spacious master cabin located in the forward section with A/C and private bathroom, making her one of the most ideal yachts available in this region for honeymooners who are looking for a very clean yacht with five-star service at an affordable budget. An additional en-suite twin cabin on the port side also makes this sailing yacht a great option for small families as well. Though the tender is not powerful enough for motorised water sports, there is plenty of other water toys such as paddles boards, canoes and snorkeling gear to be enjoyed by the guests. The size and layout of the vessel as well as the impressive crew-to-guest ratio of Hayal 62 inevitably leads to a much less formal atmosphere compared to larger vessels and it also results in very personalized high quality service.

- Saloon with A/C, dining area for 4 guests, entertainment system
- 1 forward master cabin with queen size bed, bathroom, A/C , Safety box
