Deck: Calling the deck spacious would be an understatement. The top deck serves as an outdoor lounge with cushioned sofas and mattresses for relaxation. The main deck has another area for sunbathing in the front, with a jacuzzi, which is perfect for summer evening enjoyment. In the back, there is a big dining table, under the hard top cover, and an area with mattresses for relaxation after the meal.

Salon areas: The interior is modern and elegant, reflecting the general theme of the ship itself. The salon consists of a long dining table on one side, and a set of cushioned sofas on the other side. The design contrasts light colors and dark colors beautifully. As expected, the cabins are luxurious and spacious, with large bathrooms. Each cabin has a unique painting that identifies it, and the design complements the rest of the yacht. Five of the cabins are double bed, and one of them is a twin bed cabin.
