Boat Description

New Lagoon 42 - Lagoon's newest cruising catamaran with beautiful silhouette, organic approach and smooth, elegant curves. While it retains the main features of the new generation of Lagoons, it sports a powerful and dynamic design and you can now achieve the same sailing experience as with a mono hull. The small-angle towards the wind is significantly diminished by moving the mast unto the back and by re-centering the weight. The open transoms and one-level living space from cockpit into the saloon is new for Lagoon and provides a nice unobstructed living area. All its characteristics make the new lagoon 42 the ideal spot for an active holiday, by joining maximum comfort with an exquisite sailing experience. It comes with a full equipment : Genset, Watermaker, Electrical heads, Washer dryer, Teak cockpit, Gel batteries, Inverter, AIS, Dinghy etc.
