## Boat Description

**Lady Freya** is an elegant wooden gulet with excellent charter record, suitable for eight sun seeking guests in 24-hour air-conditioned two master and two double cabins. Thanks to her flat transom design the aft master is uniquely pretty with her large port holes flooding in reflections from the sea. She measures 22.60 m and offers very comfortable indoor and outdoor dining and leisure areas. The yacht provides a bimini shaded large sun tanning area & lounge on the front deck, and an outdoor TV on the aft deck opposite the dining area. A warm interior design and decor which truly is the success of a woman's touch includes an elegant sunroof that can be opened to let in fresh air into the salon. This vessel offers at a very affordable charter rate all the toys and amenities of much larger vessels and is the ideal option for an active family holiday. Thanks to a powerful 70hp tender water sports opportunities include but are not limited to water skiing, wakeboarding, paddle boarding, canoeing and snorkeling.
