## Boat Description

**Getaway** is one of the best sailing yachts available for charter in the Eastern Mediterranean and offers great value for money. She offers tremendous amount of exterior space as result of her wide beam, uncluttered forward deck and conveniently large flybridge. Size of the cabins equal those found on much larger yachts and consist of one very large master cabin with a California King size bed and three other double guests cabins. The flexibility to convert the two twin cabins into King bed configurations make this vessel an ideal option for four couples or families with children. Light color interior, all around windows in the saloon and natural light from the skylight in the corridor provides a very modern airy atmosphere. Comfortable dining is possible in the aft deck, salon and flybridge. All cabins and the salon are equipped with TVs and entertainment systems but there is even a fold down TV in the aft section to allow guests to enjoy their favorite programs al-fresco. There are plenty of games and water sports available on board to be enjoyed throughout a charter. The yacht performs very well under sail, meaning her guests can not only enjoy her modern comforts but also the wonderful feeling of gliding through the turquoise waters of the Med.
