Crew is consisted of 4 members, Captain, Chef, Sailor and a Steward. This team just clicked from the beginning so the great energy between them is what makes them an extraordinary team.

Captain Vinko Jurišić was born on 04. 11. 1978. He has a nickname Baybe and gives a very safe and dependable impression on first sight. He has over 12 years of experience as a Captain and you can feel this the moment you step on board. Originally he was born as a member of a fishing family so the sea and every weather condition at sea are his backyard. Guests safety comes first on his list of priorities. He knows every ridge, every island, where are the best restaurants, best beaches, where is good fun, but also where you can find peace and tranquility.

Captains' right hand on deck is Vatro Matković is the best help a captain can have. He was born on 31.01.1960. He has 30 years experience in long navigation. Vatro was Management/Support Operation manager for 20 years and a Maritime Captain. He is a real expert in his job. His colleagues say he is always there when they need him both in their professional and private lives. They call him big hearted man which is a great reference to the type of quality service he gives out to his guests. He is definitely a peoples' person.

Chef Željko Škarpa was born on 01. 12. 1977. He has 7 years experience as a chef on gulets. His way of preparing his meals, with lots of passion and heart aside from his big experience is what makes this chef great. Always highly professional and discrete, he can make himself almost invisible to the guests at one hand but on the other hand, when the situation demands so, he turns into a real showman as that's his true private personality. Crew memebres find themselves blessed with his cooking skills so there is no doubt that gests will be satisfied as well.

Steward Bepo Matković is the youngest crew member and Vatro's son. With these two, the saying: "Like father like son!" gets a whole new prospective as they are both very warm and welcomig. Bepo was born on 08. 08. 1997. He is studying Maritime management and working off the seasons with his father from which he has learned a lot. Bepo is young, strong, simpatic and hard working. He brings youthfull freshness on board, always ready to satisfy every guest need with a big smile on his face.
