Water tank:	4000 l
Year built:	2007 , refit 2019
Manufacturer:	Mural Yachts
Crew cabins:	yes

Boat Description

Serenity 86 is a sleek and modern motor sailer that was launched in 2007 and has been well maintained to remain in brand new condition. Her light color wooden interior finish is supported by spa like white bathrooms to provide a very airy and soothing ambience. Glossy mahogany strips and shiny stainless steel framing are tastefully integrated on the white colored exterior. One of the unique distinctions of this yachts is that the quality of sound insulation used together with the fact that the generators and ventilation systems have been position far away from the cabins means that almost no noise or vibration can be heard while the air-conditioning is running. With a very comfortable aft dining area, bimini covered forward deck and a flybridge that can easily sit eight guests, this vessel offers no less exterior space than one would find in motor yachts along the 30m range. The yacht is equipped with all the modern amenities and games as well as a generous range of water sports. Serenity 86 is also a great option for guests who like to open sails to enjoy quiet crossings and take in the views.
