Boat Description

Gulet Vivere is the newest addition to our gulet offer. It is a stunning 26 meter long and even 7.2m wide gulet with a classic line and modern design. It was built in Turkey in 2008 and refitted in 2017, but in 2020 it's also getting some improvements. Vivere can accommodate up to 12 guests in 6 cabins. It has 1 master cabin and 5 double cabins. The saloon of 30m2 is very spacious and great to accommodate 12 guests dining inside in case of bad weather. There is a big table on the aft deck that can also accommodate 12 guests comfortably and a SAT LED TV. In case of bad weather the back seating area can be closed with a transparent sheet so the guests can comfortably spend time outside. The kitchen galley is below deck and it is fully equipped with full stainless steel professional equipment. This gulet also offers a big sundeck with a sunbed for each guest. There is a SAT LED TV in the aft deck area, a bar with beverage coolers, a sink, bottle stands and glasses. Vivere has the complete safety equipment, it also has CO2 fire fighting system and smoke detectors. Vivere is very well equipped so it has double steering, Garmin navigation, Simrad radar, two engines, bowthruster, two generators, autopilot, compass, EPIRB and SART equipment, AIS tracking system via Marine Traffic application, video surveillance of the engine room from the cockpit and a satellite dish. In conclusion you will feel extremely safe on your vacation on this gulet.

Wait until you realize that Vivere has 3 brand new sails in function with roll system furling and a total area of 290m2. You can only imagine what a wonderful experience it is sailing on this beauty.
