Boat Description

Dragon Fly is a 41 meter long classic wooden yacht, built in 2016. The outer structure of the yacht is painted, and the interior is made of wood.

Having undergone a full refit in 2016 with complete new contemporary interiors, redesigned exterior decks and changed/updated machinery and mast/rigging, Dragonfly offers luxury accommodations for up to 10 guests in 5 cabins with a crew of 6.

She boast a huge aft master cabin with large aft windows, 2 double VIP cabins and 2 twin cabins, each with en suite bathroom. The vast exterior decks are offering multiple seating and lounging areas to enjoy time in the shade or under the sun.

With an impressive sail area of 718m², Dragonfly is also a performance ketch and has won the 2017 prestigious Bodrum Cup International Wooden Yacht Regatta. A 5.1m tender with 100hp and multiple toys are available to entertain the guests in the beautiful anchorages along the Croatian archipelagos.

The saloon and each cabin are set with a flat screen TV and a multi zone Sonos system with music library can stream music on the inside and outside decks.
