Boat Description

The arrival of the 2023 season is going to be stunning. A **yacht, NOCTURNO**, will arrive, encouraged by a composition that is both elegant and dark blue in tone! Inspired by their love for the sea, the Ercegović family designed this yacht to offer every guest a cruise with dreamy motives.

This luxurious floating home has everything for everyone to have an unforgettable time on the sea. Its stunning design includes six beautifully decorated rooms, and it accommodates up to twelve people! The Master suite has its massage tub, and each suite has access to its own private en-suite, equipped with all accessories.

On the main deck is a large contemporary salon with a dining room, and there is also enough space in the living area where everyone can relax on the comfortable sofas and have fun with board games. The outdoor spaces on this boat are designed as socializing and enjoying areas. On the main deck is an outdoor dining area for al fresco dining. The flybridge has a sundeck with a jacuzzi surrounded by mattresses and sofas and an additional seating table perfect for enjoying an evening party under the stars.

Whether you’re looking to take a quick dip or go on an adventure, a swimming platform and plenty of water toys are available. Jet skis, canoes, waterskis, wake board, sea bob, etc., all have something different that makes them fun! The yacht crew is the backbone of her success and is an essential part that makes your trip enjoyable and comfortable for you, which will be pleasant memories long after our time together.
