Hull material:	wood

Boat Description

Launched in 2015, the 40m sailing yacht ZanZiba is a charming modern classic yacht, carrying some serious design pedigree with rig designed by Gerry Dykstra and interior by David Wright Design. Accommodating up to 10 guests in 5 deluxe cabins, the light and exceptionally spacious interiors with teak, burr oak and Zebrano veneers accented by bronze and nickel fittings evoke a rich effect dominated by natural tones. With a hull built using the cold moulding process, resulting in a rigid structure with an excellent strength to weight ratio, ZanZiba is equipped to the highest standards from air conditioning, CCTV, WiFi and a full Lantic and Sonos automation and entertainment system to NavTec rod rigging, Stratisâ€s sails by Doyle, hydraulic winches by Lewmar and Harken and comprehensive navigation, electrical and hotel systems.
