## Boat Description

When M/Y Cesarica was just a dream, she was envisioned as a luxury yacht not yet seen in Croatia at the time, a completely wooden luxury motor sailing yacht with comfort of the passenger in mind. The vision was a large boat with a small number of cabins. Cesarica has a small boat feel with the luxury of a yacht. It was constructed with the highest quality materials such as teak, mahogany and oak which give it an old-world feel yet the granite, marble and stainless steel give it a modern and elegant look.
