## Boat Description

**Adel** is a Gran Turismo 50 Sportfly. Adel has a sporty look and is equipped with the latest technology including the on board Ship Control system, the Gran Turismo 50 Sportfly is the peak of thrills and design. Powered by VOLVO diesel 2 x 435 hp, driving sensations are second to none with the bonus of economy and maneuverability of IPS.

Seamlessly integrated into the slender line of the boat, the Sportfly has a twin bench seat that converts into a sun-lounger, single helm seat and U shaped seating/dining area. The tender garage which is designed to fit a Williams Mini jet is a superb feature not often seen on a 50 footer and keeps the swim platform clear for enjoying the water. Available in both two cabin and dinette or three cabin versions, the full beam owner suite is bathed in light and boasts a very high level of comfort with an en-suite shower room, as well as dressing room-style storage. The fully fitted galley is reached by the port side companionway and houses everything required for spending long periods on board, its atmosphere is bright and contemporary while remaining perfectly practical. Based on the 'full space' concept, the main deck of the Gran Turismo 50 is completely open meaning the cockpit and saloon have been transformed into one huge space.
