## Boat Description

**Mušula** is a Jeanneau 53 yacht, 2013 model. It has 4 spacious cabins to sleep 8, and has room to accommodate 2 more in the salon, which converts into a double. There is also a separate single skipper cabin and bathroom. Each of the cabins have their own ensuite, making this perfect for groups of couples wanting a little extra privacy and their own space on-board.

Skipper the boat on your own or add a skipper onto the booking, a certified skipper is required to sail the boat. If you want to escape the daily chores of cleaning and meal preparation, you can hire a hostess to do all of this for you.

Mušula has an enviably large living and dining area equipped with air condition, complete with seating, table, TV, and sofa. The kitchen is fully equipped and comes with a stovetop, refrigerator, grill, and plenty of counter space. There is WiFi, a CD/MP3 player, and speakers in the salon and cockpit.
