## Boat Description

**Xc 35** is the smallest member of the award-winning Xc family. The Xc 35 shares the same DNA heritage as her bigger Xcruising sisters, offering a perfect compromise between cruising comfort and sailing performance. She is a compact but surprisingly well equipped bluewater cruising yacht with smooth hull line, a stylish yet practical cockpit and uncluttered but functional deck layout. Easily sailed short-handed, she can also accommodate guests with a two 2x cabin layout, spacious saloon and ample storage. There are a choice of keel drafts as well.

The Xc 35 has a sandwich construction hull and deck with X-Yachts' famous steel keel girder system for unrivaled rigidity and security. It carries a deep keel for a low center of gravity, with an optional shallow draft version, and recessed through-hull fittings and a folding propeller for reduced drag. Above deck, there is a keel-stepped tapered mast section, with discontinuous rod rigging as standard, and powerful backstay adjustment for complete control. A furling headstay as standard makes for stress-free short-handed sailing, with twin wheels, six large self-tailing winches and an under-deck mainsheet system led aft from the coachroof, which allows for full cockpit tent coverage.
